The fall colors are all around us and the leaves are quickly falling with the help of the wind here in Sidney. That means it's time for the last "Keep in Touch" letter from SHS and the 1-800-REUNION Life Track services. I am happy that this letter provides me with the opportunity to greet you and wish you continued success! Hopefully your experiences since graduation have been positive and meaningful. Whether you are in the military, involved in college studies or full time work, I trust that SHS prepared you for success!

Some of the most recent news regarding Sidney High School that you may or may not have heard is purchase and installation of a new score board for Swanson Field, the re surfacing of the high school track, and new scoreboards in the gym. Enrollment is up this school year from approximately 365 students last year to 396 students this year. Expectations are for the numbers to continue to increase as more housing becomes available in our community.

Please take a few minutes to complete the enclosed postage-paid survey and drop it in the mail. If you would rather complete the survey "online" please visit <http://www/LifeTrack-Services.com/surveys> and choose your school's survey, you must enter the password that is located on the envelope above the "Classmates Logo." Your input and opinions into the process are valued. Each returned survey is important. This information will be used along with the other data to improve Sidney High School, and make it better place for learning.

I do want to remind you that as a member of the class of 2009 you are a part of 1-800-REUNION. As you remember, by keeping your address current with them, you will always be able to stay in contact with your classmates long after graduation. This service will also allow you to be contacted as reunions are planned and scheduled. All you need to do is phone 1-800-REUNION and report any changes in your address. You can now update your information online, too! Just visit www.1-800-Reunion.com/update.cfm

Congratulations to you as Eagle Alumni! Please call me if I can be of assistance to you in the future.

Sincerely,

Stacey Collins
